

# PRESIDENT'S CORNER

Our Branch Web Site:  
<http://www.fsna-nvi.com>

As I write, spring seems a little reluctant to really arrive. Oh well, we can always fall back on the old "wet" Coast expression: "We really do need the rain! Exciting times these. A Provincial election just over I expect by the time you read this. Do hope you voted. Then, before too long, maybe a Federal Election as well. And then, hopefully, no politics for a long spell! Closer to our organization, we will be having a guest speaker at the June meeting who will be discussing travel. In the poll we did some months ago, you indicated that travel information was of great interest to you so we are now going to try to provide it. Also at the June meeting, we will be asking you to approve a donation to Glacier View Lodge. I'm confident you will want to support this very worthy local facility. We are still in early days of our recruiting campaign. Anyone interested in helping out can contact me for details. Finally and unhappily, we still have no one to take on Health Benefits responsibilities on your committee. There must be someone out there who is willing to give a little to help our fellow members. Please!!!! See you on June 8th!

OUT TOMORROW**

## DON'T MESS WITH SENIORS

We went to breakfast at a restaurant where the "seniors' special" was two eggs, bacon, hash browns and toast for \$1.99.

"Sounds good," my wife said. But I don't want the eggs."

"Then I'll have to charge you two dollars and forty-nine cents because you re ordering a la carte," the waitress warned her.

"You mean I'd have to pay for not taking the eggs?" My wife asked incredulously. "I'll take the special."

"How do you want your eggs?"

"Raw and in the shell," my wife replied. She took the two eggs home.
